

Getting Here

1. Fly into Melville Hall, Dominica (DOM) airport.
2. If you rent a car, take the airport exit road to the North (stay straight out of the gate and keep going).
3. You will go through two small villages on the way: first, Wesley, and second, Woodford Hill.
4. Just after Woodford Hill, you will see a big, white building called Club Dominique.
5. After you pass it, you will go another minute or two and start looking for a sign that says, "Welcome to Calibishie."
6. Just after this sign, on the left, you will see a Calibishie Cove sign.
7. Take a right onto a gravel road. Note: it is also the first right after the "Welcome to Calibishie" sign.
8. Go down about a 1/8-mile and the road will become concrete.
Once it does, we are the second house on the left and you will see our sign out front.
